Read Cautions on Back Panel.

Net Wt. 12 oz. / 340 grams

10041Z

EASTWOOD PRE[®] PAINTING PREP is designed to remove harmful contaminants that cause paint imperfections. Unlike other harsh degreasers and parts cleaners, PRE has the right formulation to remove impurities, yet be safe on the surface to be painted. PRE effectively removes wax, silicone, grease, and dirt while ensuring excellent paint adhesion. PRE is ideal for paint and powder coating preparation.

DIRECTIONS

Please read entire label before using this product – improper use could cause damage and pose a safety risk.

1. Test a small area to make sure PRE is compatible with the surface to be cleaned. PRE may damage uncured paints and may damage some plastics.
2. Wet a clean cloth with PRE or spray directly onto the surface to be cleaned.
3. Wipe surface with clean cloth to remove debris. Do not reuse dirty cloths.

CONTAINS (CAS No.): xylene (1330-20-7), toluene (108-88-3), solvent naphtha (petroleum), medium aliph. (64742-88-7), petroleum gases, liquefied, sweetened (68476-86-8).

DANGER: Extremely flammable aerosol. Contains gas under pressure; may explode if heated. Harmful if inhaled. Causes skin irritation. May be fatal if swallowed and enters airways. May cause drowsiness or dizziness. Suspected of damaging fertility or the unborn child. Causes damage to organs through prolonged or repeated exposure.

PRECAUTIONS: Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Keep away from heat, sparks, open flames or hot surfaces. No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Do not eat, drink or smoke when using this product. Use only outdoors or in a well-ventilated area. Avoid breathing dust, fume, gas, mist, vapours or spray. Wear protective gloves, protective clothing, eye protection and face protection. Wash thoroughly after handling.

RESPONSE: IF exposed or concerned: Get medical advice or attention. IF SWALLOWED: Immediately call a POISON CENTER or doctor or physician. Do NOT induce vomiting. Get medical advice or attention if you feel unwell. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor or physician if you feel unwell. IF ON SKIN: Wash with plenty of soap and water. Specific treatment (see on this label).

IF skin irritation occurs: Get medical advice or attention. Take off contaminated clothing and wash before reuse.

STORAGE: Store locked up. Keep cool. Protect from sunlight. Store in a well-ventilated place.

Do not expose to temperatures exceeding 50°C - 122°F. Keep container tightly closed.

DISPOSAL: Dispose of contents and container in accordance with local, regional, national, and international regulations.

Safety data sheet available on request. KEEP OUT OF REACH OF CHILDREN.
