DO THE JOB RIGHT.

Part #14131

MINI TIG 200 TORCH (#9)

This torch kit is ideal for low amperage welding in tight spaces where the standard TIG200 (#17) torch may have trouble fitting. Attach the torch the same way the standard torch connects to make getting into tight places much easier. The torch kit comes complete with a selection of consumable parts. This torch is rated for 125 Amps DC or 100 Amps AC. Do not exceed the rated amperage!

WARNING

- Welding fumes and gasses can be hazardous to your health
- Arc Rays can injure your eyes and burn your skin
- Electric shock from welding can cause injury and possible death
- Keep your head out of the fumes
- Wear correct eye, ear, and body protection
- Do not touch live electrical components
- Do not exceed rated power of this torch (125 Amp DC or 100 Amp AC)

CONTENTS

- TIG Torch (#9)
