

7-PIECE HOLE SAW KIT INSTRUCTIONS

WARNING: Always wear face and eye protection!
Use lubricants, such as cutting fluid to improve cutting metal and extend tool life.

INCLUDES

- (1) Large Mandrel
- (1) Small Mandrel
- (5) Bi-Metal Hole Saws; 1", 1.125", 1.250", 1.375", 1.50"

HOW TO USE:

- Determine hole saw size to be used.
- Install on appropriate mandrel when utilizing with corded or cordless drill (FIG. 1-2).
- When using with Eastwood Tubing Notcher #21749, select appropriate adaptor. Securely thread arbor adaptor into hole saw (FIG. 3).
